

Feasibility of Xpert Ebola Assay in Médecins Sans Frontières Ebola Program, Guinea

Technical Appendix

Technical Appendix Figure. Ebola virus cycle threshold (C_t) for Xpert Ebola Assay (nucleocapsid protein [NP] and glycoprotein [GP] genes) and for routine PCR (NP gene) for samples identified as positive for Ebola virus from 8 patients by Xpert Ebola Assay at Médecins Sans Frontières Donka Ebola Treatment Center, Conakry, Guinea, May–June 2015.
